

EA - SCHOOL ABSENCE LETTER 2022-2023

To: Elite Academy Teams
From: Brendan Faherty, EA League Administrator
Date: August 2022
RE: 2022-2023 Elite Academy Season

Please feel free to share this letter with your schools

On behalf of the Elite Academy (EA), we would like to request the release of all players that are members of teams participating in our 2022-2023 games and events. We recognize the importance of a player's education and as an organization, we've worked tirelessly to accommodate the academic calendar, which varies from state to state. Unfortunately, our schedule may result in a limited number of days missed from school. Your student recognizes his responsibility in making up missed work and potentially rescheduling exams.

The Elite Academy's mission is to provide a national platform through conference games and national showcases. These opportunities will help players be seen by numerous college coaches and scouts. The dates of our showcase events are October 1-2, 2022; October 21-23, 2022; December 2-4, 2022; and March 24-26, 2023. Within some of our conferences, specifically the Northwest Pacific, Southwest Desert, Midwest, Mid-America, and Southeast, there is significant travel 1-2 times during the season. Lastly, for teams that qualify the EA National Championship takes place June 8-11, 2023, in Dallas, Texas. Please allow for a travel day before and after competition days. Thank you for your understanding regarding the absence of EA players from school during our events. Please feel free to contact me directly with any questions at admin@eliteacademyleague.org.

Sincerely,

Brendan Faherty
