Technical Standards & Governance Model

ELITE ACADEMY LEAGUE (EA)

Match Scheduling Standards	Best practice is to play oldest age groups first	When exposing players to minutes at older age groups, it's common to make decisions based on match flow. For example, a coach may plan to play a U17 age eligible player 45 minutes in the U19 match, but based on what takes place in the first half, the player might only play 20 minutes. In this situation, now it is clear the player can play 70 minutes in the U17 match afterward vs potentially having to guess and the player missing meaningful minutes.
Match Schedule Standards (cont)	A framework establishing an allowable time frame for matches to be scheduled during a given day must be followed	*See scheduling section for more info
Match Day Standards	When possible, 30 minutes of warm-up time on the match field is recommended prior to the start of any match	Scheduling guidelines should be reflective of this standard as well as provisions for extenuating circumstances
Match Day Standards (cont)	Turf fields should be considered for primary use on match day in case of inclement weather. If the matches are not on turf, Clubs should have a backup plan for if inclement weather impacts the scheduled field.	Recommended
Match Day Standards (cont)	Host clubs are required to provide team benches with EA branded canopies in technical area for home and away teams	Required
Match Day Standards (cont)	Host clubs are recommended to provide hydration center with water and cups	Recommended
Match Day Standards (cont)	Host clubs are required to provide certified ATC or medical personnel prior to the start of any official league match	Required Updated as of 1/1/23
Substitution Standards	Matches in the U13-U19 age groups will operate under the FIFA-7 players "per half" substitution system. Once replaced, players cannot re-enter the match during the same half. There shall be a maximum of 3 moments to make seven (7) substitutions in any half or in overtime of any Elite Academy League competition.	U13, U14, U15, U16, U17, U19
Substitution Standards	Unlimited / free substitutions	U11, U12

Player Development Standards (cont)	A player can only compete in a maximum number of minutes of one (1) full match: the duration of the longest match.	Top players should be exposed to more challenging match environments and are allowed to minutes equal to one (1) full match per day. Example: if a U15 age player competes in 50 minutes of a U16 match, that player can play 40 minutes in the U15 match (90 minutes total due to U16 match duration being 90 minutes).
Player Development Standards (cont)	When possible, teams will be scheduled to play one match per weekend.	Recommended / Best Practice

Governance Standards		
Governance Standards	<p>EA Technical Advisory Group consists of at least 1 representative from each Division.</p> <p>This group helps steer the overall League with Technical Standards and Rules.</p>	<p>The Club Academy Director will be the main point of contact for all disciplinary and technical matters for the League.</p>

GENERAL

Unless otherwise provided in these Regulations, all the Elite Academy League competitions shall be played in accordance with the FIFA Laws of the Game in force at the time of competition as provided by the International Football Association Board.

Member clubs are required to comply with these regulations, and in addition, member clubs are encouraged to report pertinent situations to the league staff, which appear to be in non-compliance with the league requirements. Reporting non-compliance on the part of other clubs should not be viewed as a negative, but rather as a positive attempt to maintain consistent standards that ensure professionalism and fairness, both on and off the field.

All member clubs are required to adhere to the league requirements. The league reserves the right to decide how to enforce these requirements. Should a member club be found in violation of any of the requirements outlined in this document, their standing as a member Club may be jeopardized.
