## Technical Standards & Governance Model

### ELITE ACADEMY LEAGUE (EA)

<b>Match Scheduling Standards</b>	<p>EA recommends to play oldest age groups to youngest age groups.</p> <p>Final determination by host club.</p>	<p>When exposing players to minutes at older age groups, it's common to make decisions based on match flow. For example, a coach may plan to play a U17 age eligible player 45 minutes in the U19 match, but based on what takes place in the first half, the player might only play 20 minutes. In this situation, now it is clear the player can play 70 minutes in the U17 match afterward vs potentially having to guess and the player missing meaningful minutes.</p>
<b>Match Schedule Standards (cont)</b>	<p>A framework establishing an allowable time frame for matches to be scheduled during a given day must be followed</p>	<p>*See scheduling section for more info</p>
<b>Match Day Standards</b>	<p>When possible, 30 minutes of warm-up time on the match field is recommended prior to the start of any match</p>	<p>Scheduling guidelines should be reflective of this standard as well as provisions for extenuating circumstances</p>
<b>Match Day Standards (cont)</b>	<p>Turf fields should be considered for primary use on match day in case of inclement weather. If the matches are not on turf, Clubs should have a backup plan for if inclement weather impacts the scheduled field.</p>	<p>Recommended</p>
<b>Match Day Standards (cont)</b>	<p>Host clubs are required to provide team benches with EA branded canopies in technical area for home and away teams</p>	<p>Required</p>
<b>Match Day Standards (cont)</b>	<p>Host clubs are recommended to provide hydration center with water</p>	<p>Required</p>
<b>Match Day Standards (cont)</b>	<p>Host clubs are required to provide certified Athletic Trainer (ATC) prior to the start of any official league match</p>	<p>Required *Matches are instructed to not start without certified Athletic Trainer (ATC)</p>
<b>Substitution Standards</b>	<p>Matches in the U13-U19 age groups will operate under the FIFA-7 players "per half" substitution system. Once replaced, players cannot re-enter the match during the same half. There shall be a maximum of 3 moments to make seven (7) substitutions per half.</p>	<p>U13, U14, U15, U16, U17, U19</p>
<b>Substitution Standards</b>	<p>Unlimited / free substitutions</p>	<p>U11, U12</p>

    - iii. **Not Acceptable:** Having 2 matches both playing at the same time on different fields (requiring 6 Referees for 1 Match each)
      1. This will attract low level Referees

\*Reschedules by any Club after Wednesday at 11:59PM moving Matches off an upcoming weekend will result in payment of Referees (Both Clubs potentially held responsible)

\*\*Reschedules requested by the Away Club after Wednesday at 11:59PM leading to a weekend could result in compensation for any field costs to the Home team

\*\*\*Weather cancellations (Acts of God, etc.) of league matches will be considered postponed and rescheduling will be required (no additional financial implications)

## FINES FOR VIOLATING STANDARDS

Depending on the severity of the action, fines might be deducted from the performance bond or they will be invoiced directly to the club with the expectation of being fulfilled within 7 working days. If any amount is deducted from the Performance bond it will need to be replenished and always current at the beginning of each year. Any delay in payment will result in the team not being able to play until all is resolved.
