EA - REFEREE HANDOUT 2026-2027

ROSTER RULES:

- Game Day Roster for U13-U19 is 20 players, and for U11-U12 it is 14 players (MOD11 will not allow teams to add more)
- A player can only compete in a maximum number of minutes of one (1) full match: the duration of the longest match. GK's are able to participate in (2) league matches within the same fixture within the same day: the duration of the longest (2) matches.

SUBBING RULES:

- U11-U12: Unlimited with re-entry
- U13-U19: will operate under the FIFA-9 players "per half" substitution system. Once replaced, players cannot re-enter the game during that half of play. There shall be a maximum of 3 moments to make seven (9) substitutions in any half or in overtime of any Elite Academy League Competition.

Substitution passes are required for U13-U19 age groups with each substitution except at halftime. If you find a player has re-entered, please note it in the match report in MOD11 and the league staff will sanction the team accordingly.

HEAD INJURIES:

Any player suspected of suffering a head injury may be substituted for an evaluation without the substitution counting against the team's total number of allowed substitutions during the game.

- If the club has used all their subs and/or moments when a head injury occurs, they will still be allowed to make a temporary substitute, bringing on a player that was previously subbed for.
- If the player is deemed by the HCP or ATC to not have suffered a concussion, the player may re-enter the game at any stoppage of play and must replace the original substitute; this head injury evaluation substitution will not count as a used substitution.
- Furthermore, the temporary substitute will be able to re-enter the game at a later time, if they had not previously played in that half.
- If the player is not cleared to return to play by the HCP or ATC, the replacement player will no longer be considered a temporary substitution.
