

EA - SCHOOL ABSENCE LETTER 2026-27

To: Elite Academy Teams
From: Ryan Miller, EA League Commissioner
RE: 2026-27 Elite Academy Season

Please feel free to share this letter with your school administrators

To Whom it may concern:

On behalf of the Elite Academy (EA), we would like to request the release of all players that are members of teams participating in our 2026-27 games and events. We recognize the importance of a player's education and as an organization, we've worked tirelessly to accommodate the academic calendar, which varies from state to state. Unfortunately, our schedule may result in a limited number of days missed from school. Your student recognizes their responsibility in making up missed work and potentially rescheduling exams.

The Elite Academy's mission is to provide a national platform through conference games and national events. These opportunities will help players be seen by numerous college coaches and scouts. The dates of our national events are Sept 25 - Sept 28, 2026; October 23 - 26; Dec 4 - 7, 2026; and April 16 -19 2027. Within some of our conferences, specifically the Pacific Northwest, Southwest Desert, Midwest, Mid-America, and Southeast, there is significant travel 1-2 times during the season. Lastly, for teams that qualify the EA National Championship takes place in June in St. Louis, Missouri. Please allow for a travel day before and after competition days. For more information on the Elite Academy League, visit www.eliteacademyleague.com

Thank you for your understanding regarding the absence of EA players from school during our events. Please feel free to contact me directly with any questions at admin@eliteacademyleague.org.

Sincerely,

Ryan Miller
EA League Commissioner
